BELT COMMUNITY CHURCH Belt's Family Ministry Center

By Pastor Mark J. Haines

The Belt creek valley remains rich in natural resources and natural attractions. Great effort is offered and supported to keep this valley a destination and a delight.

Belt Community Church is making a similar effort to strengthen this valley's greatest resource, the people, families. We are committed to giving priority to children and to all of the ongoing needs of family life. Infants to our precious seniors, we desire to gently share the love of Christ. We seek to offer friendship, fellowship, and faith.

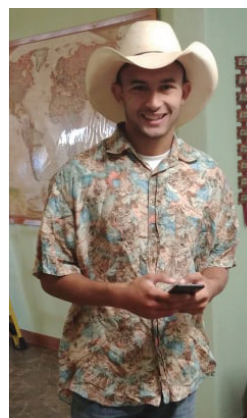

BCC is committed to the goal of functioning and flowing as a family ministry center. We are asking God to lead us and you to join our journey. We are not a club nor a civic group, but rather a fellowship proclaiming the gospel of Christ.

We desire the love of God to flow to all people. We want to strengthen this valley as any club or civic group, not just for today, but eternity. We have much to do. Join us!

"We are asking God to lead us and you to join our journey."

Learn, love, and follow His leading with us. A family ministry center is a considerable mission. We know our valley is blessed with human resource. Partnering with the Holy Spirit, we know we can meet and exceed this vital need. Three little miles north of Belt...the perfect place to receive God's grace...we will look for you!
