ALIVE & ACTIVE

By Pastor Joseph A. Fox

I'm Joseph A. Fox, the associate pastor at Belt Community Church. After many years of ministry in the Great Falls area, Montana and around the greater northwest, my wife Terry and I are delighted to be a part of this congregation and ministry team.

There is an excitement in the air as we head into the fall season. After a successful Vacation Bible School this summer, the gathering of our older youth group called 3MN (three miles north) at Jack's Beans on Thursdays at 6:30 pm and the start of Children's Church on Sunday mornings we continue to minister the glorious deeds of the Lord Jesus to the next generation. God has blessed us with some outstanding youth leaders.

We are also blessed with some great musicians who lead us weekly in worship and in special music like "Country Music Sunday" coming on November 4. Renae Bolton and Gary Huffman are long time worship leaders associated with Pastor Mark and me that have joined their hearts with us.

On November 11, Veterans Day, our guest speaker will be retired General Brad Livingston of the Montana Air National Guard, who returns following a visit with us last spring. We often have guest pastors and speakers grace our pulpit.

However, although God has blessed us with the aforementioned leaders, the gifting that each of our members bring is the strength of our ministry. There is something each of us are called to do, that no one else can do, and we will never grow in the fullness of His grace until we do it. Are you looking for a place to fulfill your calling? Come and visit us just three miles north of Belt. We may be that place.

Help & Encouragement For Your Family From Ours at BCC: Donna Marchington

Donna Marchington is a Licensed Clinical Professional Counselor (LCPC) with over 20 years of experience. She has worked with adults and children with emotional disturbances. Her experience includes marriage/partner, individual, and family counseling. She has conducted parenting classes using Common Sense Parenting by Boys Town Co. Her past work has included working for mental health agencies focused on children's mental health. Donna worked with the parents to help them understand their child's diagnosis and how to relate with their children. She has worked for the State of MT Children's Mental Health Bureau as a Wrap Around Facilitator and then as a Clinician overseeing services in state and out of state for Montana children. She has been an Associate Clinical Director overseeing staff and supervision of clinical services for group homes and community based services. She worked with therapeutic foster youth and youth involved in the Youth Probation. She has worked in conjunction with the Department of Family Services and successful in keeping the majority of families together. In Washington state, she was the Clinical Supervisor of a branch that worked with adults and children with severe emotional disturbances. Currently she works as the school counselor for a local school where she teaches Social Emotional Learning for the students, provides other counseling as needed, and regular counselor duties. She has recently opened her practice part-time (you need to fill in here but I'm going with) free to those who request the need.
